

DANYAL AHMAD

Bhubaneswar, Odisha

📞 9835738729 ✉️ danyalahmad0786@gmail.com

Professional Summary

Motivated Computer Science undergraduate with strong foundations in Data Structures, Machine Learning, and problem solving.

Experienced in building practical software projects using Python, OpenCV, MySQL, and web technologies.

Actively improving coding skills through hands-on development and seeking opportunities to apply technical knowledge in impactful roles.

Education

Kalinga Institute of Industrial Technology (KIIT)

2023 – 2027

B.Tech Computer Science (CGPA: 8.63)

Bhubaneswar

Carmel Junior College

2021 – 2023

ISC (85.5%)

Jamshedpur

Carmel Junior College

2021

ICSE (88%)

Jamshedpur

Relevant Coursework

Object Oriented Programming

Database Management

Data Structures

SDLC

Artificial Intelligence

Machine Learning

Projects

Face Recognition Attendance System | *Python, OpenCV, MySQL*

2025

Built a real-time face recognition attendance system using OpenCV for automated student identification.

Integrated a MySQL database to store student records and log attendance entries efficiently.

Implemented image capture, face encoding, and recognition workflow for accurate attendance marking.

Improved manual attendance process by reducing time and minimizing human error.

Expense Tracker | *HTML, CSS, PHP, MySQL*

2025

Developed a web-based expense tracker to manage and organize daily financial transactions.

Implemented CRUD operations to add, update, delete, and categorize expense records.

Designed a simple and user-friendly interface for easy expense monitoring and management.

Used MySQL for secure data storage and PHP for backend processing and functionality.

Experience

Machine Learning Intern – NIT Jamshedpur

2025

Completed a training internship focused on Machine Learning concepts and workflows.

Gained hands-on experience with data preprocessing, model building, and evaluation using scikit-learn.

Applied the acquired knowledge to build a Face Recognition Attendance System using OpenCV.

Technical Skills

Languages: Java, C++, Python (Basics)

DSA: Solved 250+ Data Structures problems

Developer Tools: VS Code

Soft Skills

Problem Solving, Team Collaboration

Adaptability, Proactive, Consistency

Extracurricular

Member of **KHWAAB** Society at KIIT

Bronze Medalist – Odisha State Kickboxing Championship
